health experts and stakeholders

ABOUT THE PROGRAMME

Karupa Foundation Education and Research Centre organized a National Conference on Menstrual Hygiene on 10 July 2026 in Coimbatore. The conference brought together students, educators, health experts and stakeholders to discuss the importance of menstrual hygiene, break social stigma, and promote awareness for healthier and more confident communities.

PURPOSE

To create awareness about menstrual hygiene and its importance

To break social stigma and encourage open dialogue

To share knowledge and best practices through expert insights

To promote healthier and more confident communities

*“Awareness today
for a healthier tomorrow.”*
